

To all,

We recently formed the **Community Problem-Oriented Policing Unit**, also known as CPOP, to foster meaningful relationships with residents and gain insight into the unique needs of each community. Through this survey, which should take about five minutes of your time, we're hoping to learn more about the public safety concerns or issues on your mind and get your input on ways we can better serve you.

Click on the link below to begin the brief survey. Or Use the QR Code above.
